BUILDING PARTNERSHIPS  
THROUGH COLOUR:

This is a company that has invested in the 3.2m Grand format UV LED UJV55-320 latest roll feed Mamaki.

specialising in all roll feed substrate. We are a small but dedicated team who's goals are to deliver quality along with the promise of on time delivery.

Infinity Colour are looking to build partnerships that will build growth for the customer through the quality of colour. Infinity colour can offer prompt quotes and competitive pricing.

Events already supported: FCA Group for the NEC, Goodwood Festival of Speed for Alfa Romeo, Farnborough Air show for Jeep.
